CPR for Professionals is a locally produced course designed to teach the skills of CPR and choking for victims of all ages, including ventilation with barrier devices, pocket masks, bag-valve-mask devices with supplemental oxygen, and the use of Automated External Defibrillators to all healthcare providers in both hospital and out-of-hospital settings.

Duration: 6 hours Practical Workshop

How it Works

- Training manual issued 2 weeks before practical workshop
- Attend practical workshop in Lambton, Germiston
- If you are a group of 6 or more, we'll facilitate the practical workshop at your premises
- Candidates must demonstrate practical competency and achieve 84% for written exam
- Certificates are valid for 2 years

Bookings, please contact:

- Barry Mey
- 083 302 3019
- admin@tls.za.com

COVID hygiene protocols apply. Courses run Mondays to Fridays.

These courses are facilitated by Sr Fiona Mey, a registered BLS Instructor.

- Resus Council instructor number: UB2105/662
- American Heart Association Identity Number: 05210957090
